Friends depart, and memory takes them
To her caverns,
pure and deep.
Thomas Haynes Bayley

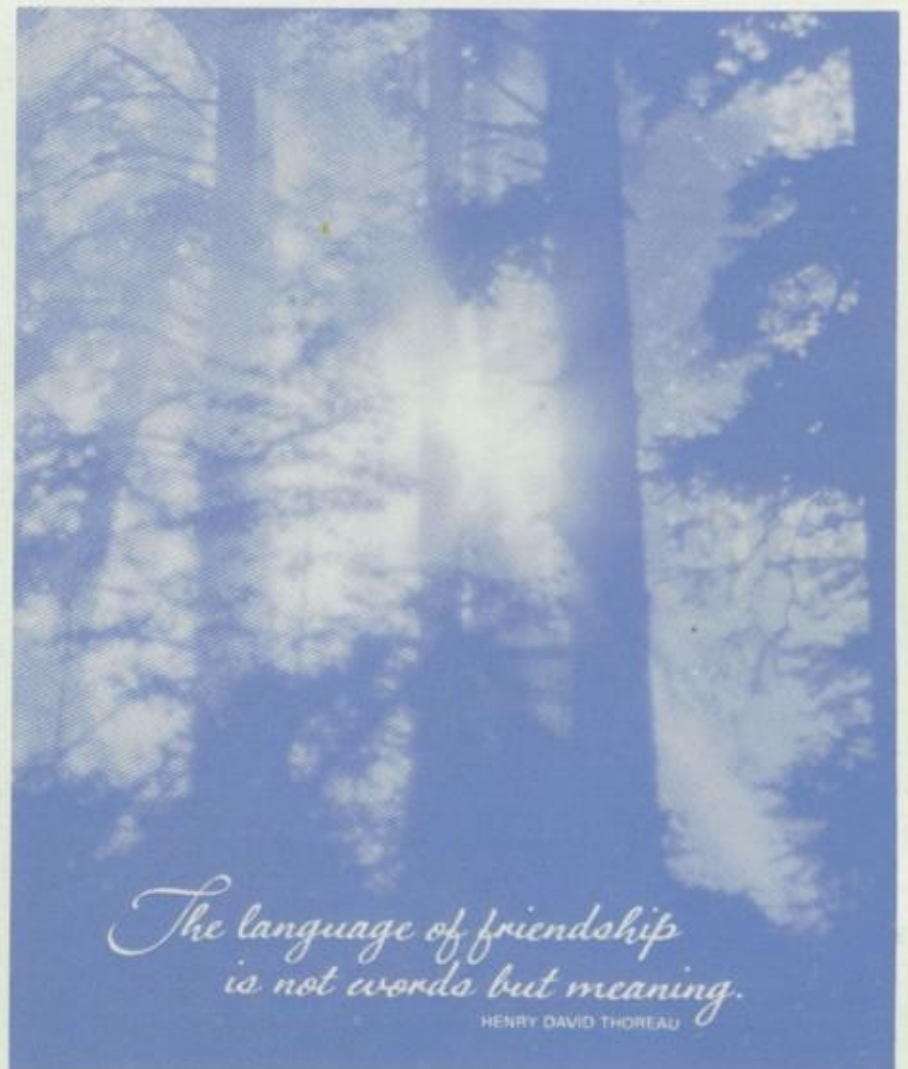

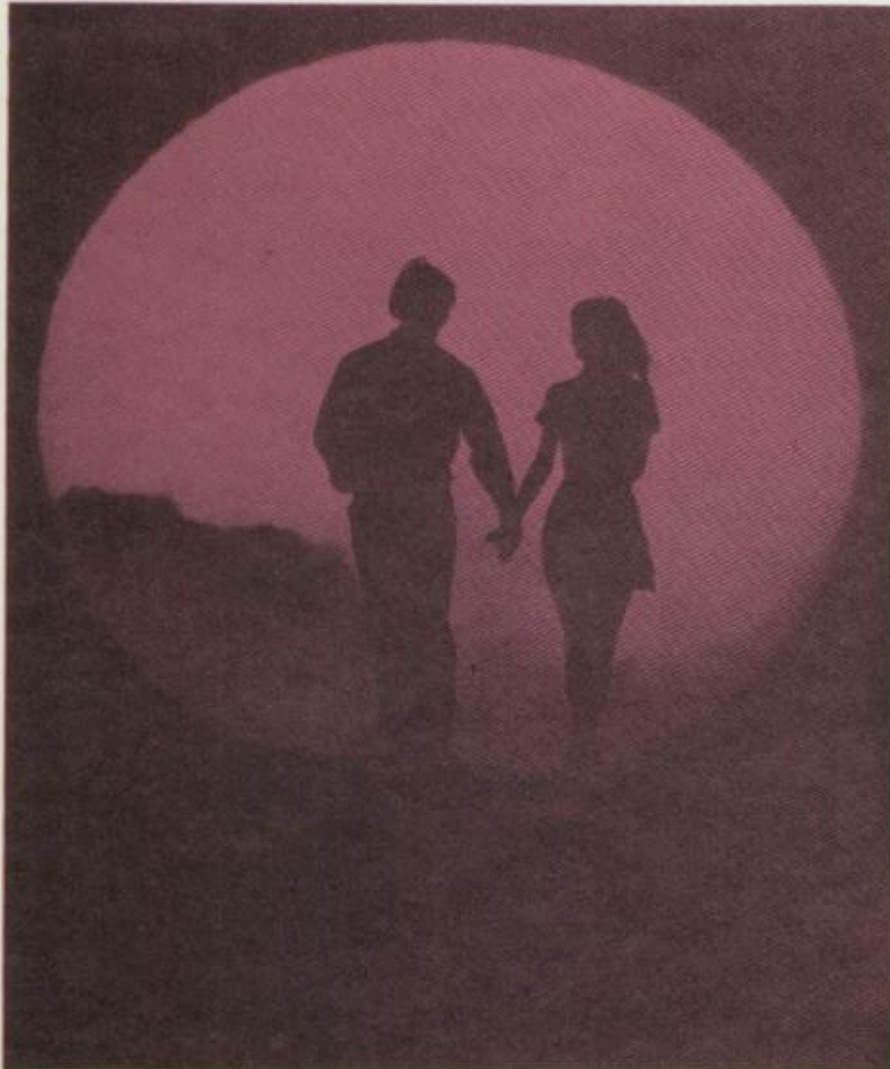

Friendships is an essential part of all our lives. Through friendships we find ourselves, relate to others, and become true persons. Our friends give meaning to our lives: a purpose, something for which to live. We have engendered friendships since childhood and many of our earliest friends have remained loyal throughout our school years.

With graduation comes a new experience, a new challenge—the dawning of a new day. As we take our rank in the world, we will establish new relationships based upon truth, integrity and love.

Therefore, we the editors of the 1975 Gauneka dedicate this yearbook to everyone, that each of us will establish the relationships needed to live complete and meaningful lives and become “friends” in the true sense of the word.

Mr. Kania—Our Best

Mr. Kania with assistant principal Joe McClung in 1974.

Friend Of All!

Mr. Kania was assistant football coach under Mr. Charlie Keenan from 1955 to 1966.

Mr. Kania led the Travellers basketball team to the state semi-finals in 1963.

For nearly 20 years, one man has been involved with Gauley Bridge High more than any other. He is Louis Kania, our principal. During his career, he has served in nearly every aspect of education.

From 1955 to 1966, Mr. Kania was assistant football coach to Charlie Keenan, and was head basketball coach from 1959 to 1966. In 1963 he led the Travellers to the semi-finals of the state basketball tournament. While coaching, Mr. Kania also taught in the Business Education Department. He was also the sponsor of many activities and clubs, including the Pep Club and Student Council.

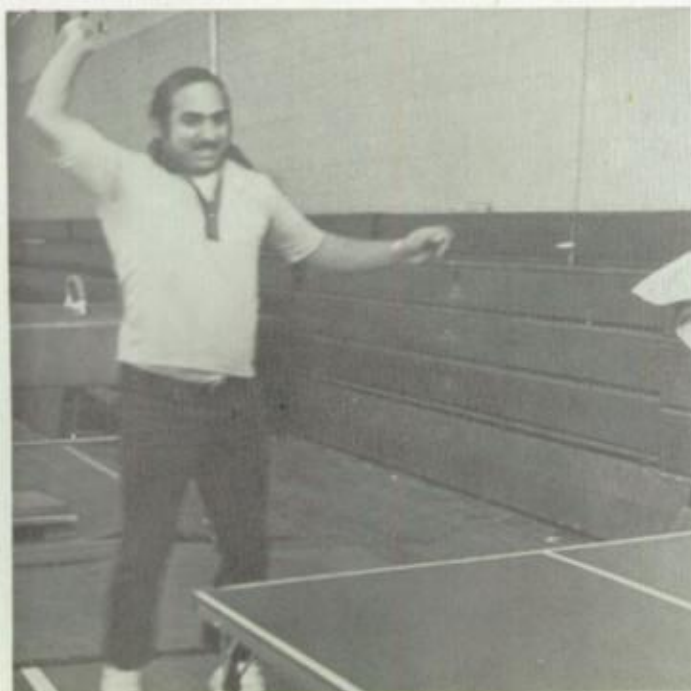

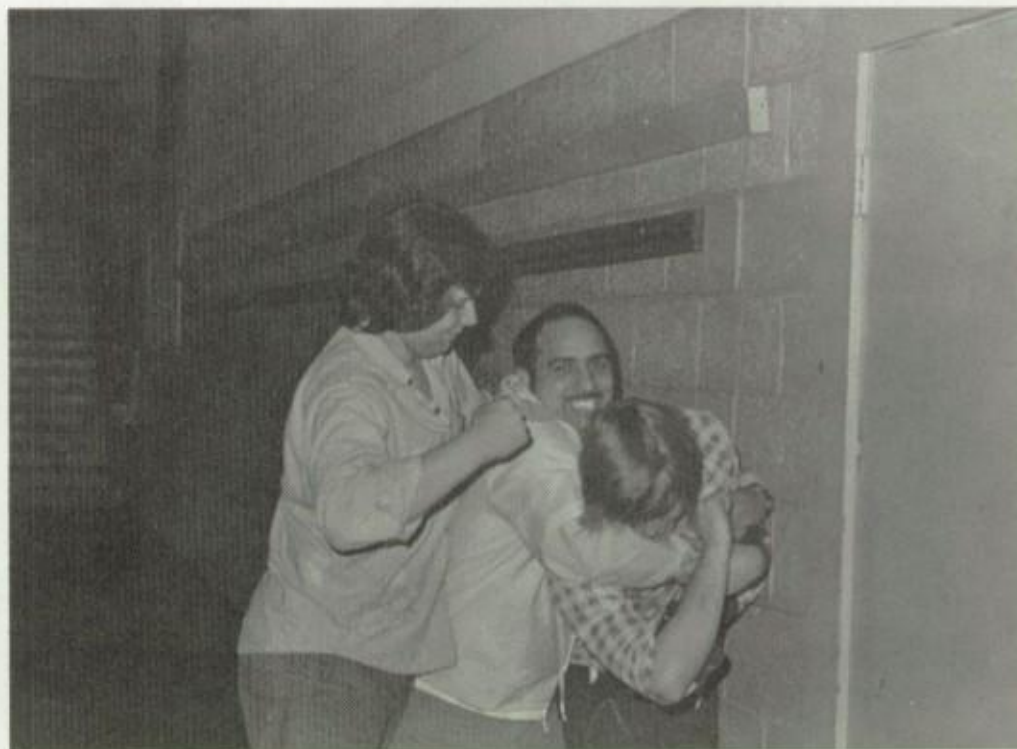

The assistant principal's desk was his next move in 1967, where he served for two years under Charlie Keenan. Finally, Mr. Kania became principal in 1970, and has had three vice-principals, James Dempsey, Joe McClung, and Raymond McVey.

Even though one of Mr. Kania's duties is the role of disciplinarian, it is a job that must be done and done well in order to develop the character of the students and keep the school moving in the right direction.

Eventually we will all realize Louis Kania as probably our greatest friend at G.B.H.S.

Student Council

Through the years, the Student Council has served the students of Gauley Bridge High School. The council has sponsored many projects, the most important being Homecoming. It took careful planning and lots of hard work to put on not only the parade, but also the crowning ceremonies and dance. However, a good deal of the council's energy is directed towards charity. Every year drives are held for Christmas Cheer and Shamrocks Against Dystrophy. The Student Council also handles all school elections, and at the end of the year the remainder of the treasury is put into buying a gift for the school. The Student Council appreciated the hard work and cooperation of not only members but other students as well.

Mrs. Taylor has done a very commendable job this year, accepting her new responsibilities in the middle of the Homecoming season. Mrs. Dorothy DeVise had served as advisor for the past 9 years. Under Mrs. DeVise's direction, the Student Council fought for fair elections, equal representation and well organized and meaningful Homecoming activities.

Though it may seem simple, there was much more labor involved in getting a yearbook out than meets the eye. It was a difficult job and much hard work and cooperation by not only the yearbook staff but also the faculty and administration was necessary. The editors of the 1975 Gauneka would like to express their deep appreciation to Mr. William White who contributed most of the homecoming pictures. They would also like to say "thanks" to Cathy Webb, Kathryn Schulte, and David Hamra for using their journalistic skills in writing various parts of this yearbook and to everyone who helped in some little way to make this yearbook possible.

Gauneka Staff

For the past 18 years, these activities have been under the direction of only one man, Mr. James Warren. ANSTED-20 vs. G.B.-0

Game Captain—Jim Sigler

The score doesn't indicate how close this season opener actually was. Although Ansted scored 20 points, the Travellers were in it to the end and displayed a tenacious, hard-hitting defense. David Hamra had 10 tackles and an interception to lead the Gauley defense.

NUTTALL-12 vs. G.B.-6 (over time)

Game Captain—David Hamra

The Big Red Machine suffered their biggest disappointment on a sloppy field at Lookout. Our score was set up by a blocked punt by Corky Johnson. Zack Dye was verbally offended by Nuttall's coaches themselves and responded with a determined all-out effort.

WEBSTER COUNTY-36 vs. G.B.-20

Game Captain—Ed Cangemi

The offense got on track but the defense couldn't hold as the Travellers had yet to get it together. Webster riddled our secondary for several touchdowns. However, Mark Grimmett and Carl Winston teamed up for good gains, including a great snag by Winston for a score.

RICHWOOD-26 vs. G.B.-0

Game Captain—Tim Grimmett

Richwood completely dominated the game as Gauley committed many mistakes. Steve Burford had in interception but we couldn't catch fire as the Lumberjacks built their lead.

NICHOLAS COUNTY-0 vs. G.B.-7

Game Captain—Steve Burford

The Travellers earned a great victory at Summersville climaxed by a classic goal-line stand on the 3 yard line in the last minute of play. Henry Newbell scored the touchdown to put Gauley ahead for good. Kevin Richmond set up the score with an interception, as the defense returned once again.

FAYETTEVILLE-14 vs. G.B.-16

Game Captain—Larry Moore

A field goal proved to be the difference in this game, a perfect way to honor our parents on Parents' Night. Larry Moore caught 4 passes, while Romie Holstein played strong defense and opened a big hole for a 4th quarter score.

MONTGOMERY-28 vs. G.B.-7

Game Captain—Bill White

The Big Red Machine was rollin' into this great rivalry. Montgomery was headed for state playoffs, but Gauley scored first after Stan McCutcheon caused a fumble near the "Hounds" goal line. Bill White took it in for the touchdown, but the Greyhounds proved too strong an adversary. White and McCutcheon played outstanding defensive football.

VAN-6 vs. G.B.-27

Game Captain—Romie Holstein

Ulersee Shepherd ignited a Saturday afternoon Homecoming crowd by returning the opening kickoff 87 yards for a touchdown. It was all Gauley Bridge as Shepherd tallied 2 more scores. The defense was tough, too, causing 4 interceptions, 2 fumbles, and a blocked punt.

CLAY-12 vs. G.B.-19

Game Captain—Calvin Sargent

Gauley Bridge literally wore the Panthers out with a big offensive punch. The offensive line opened holes for 250 yards and battered the much larger Clay team. Fumbles prevented the Travellers from scoring a lot more. Jim Sigler turned in one of the best single games ever, having 13 tackles, causing 2 fumbles, and leading the punishment of the Panther defensive line.

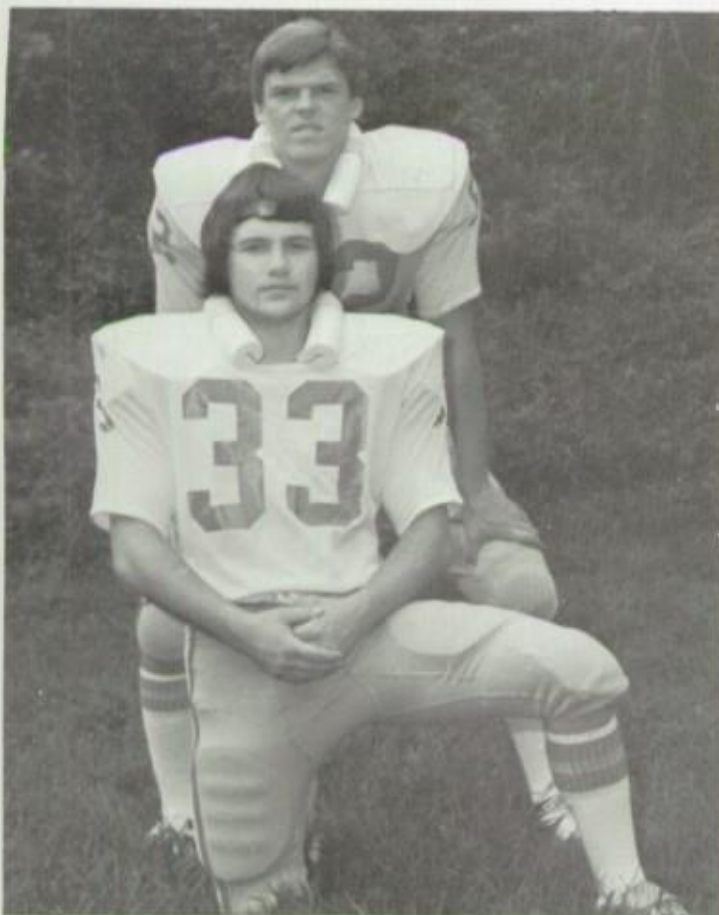

CLEAR FORK-0 vs. G.B.-20

Game Captain—John Neal

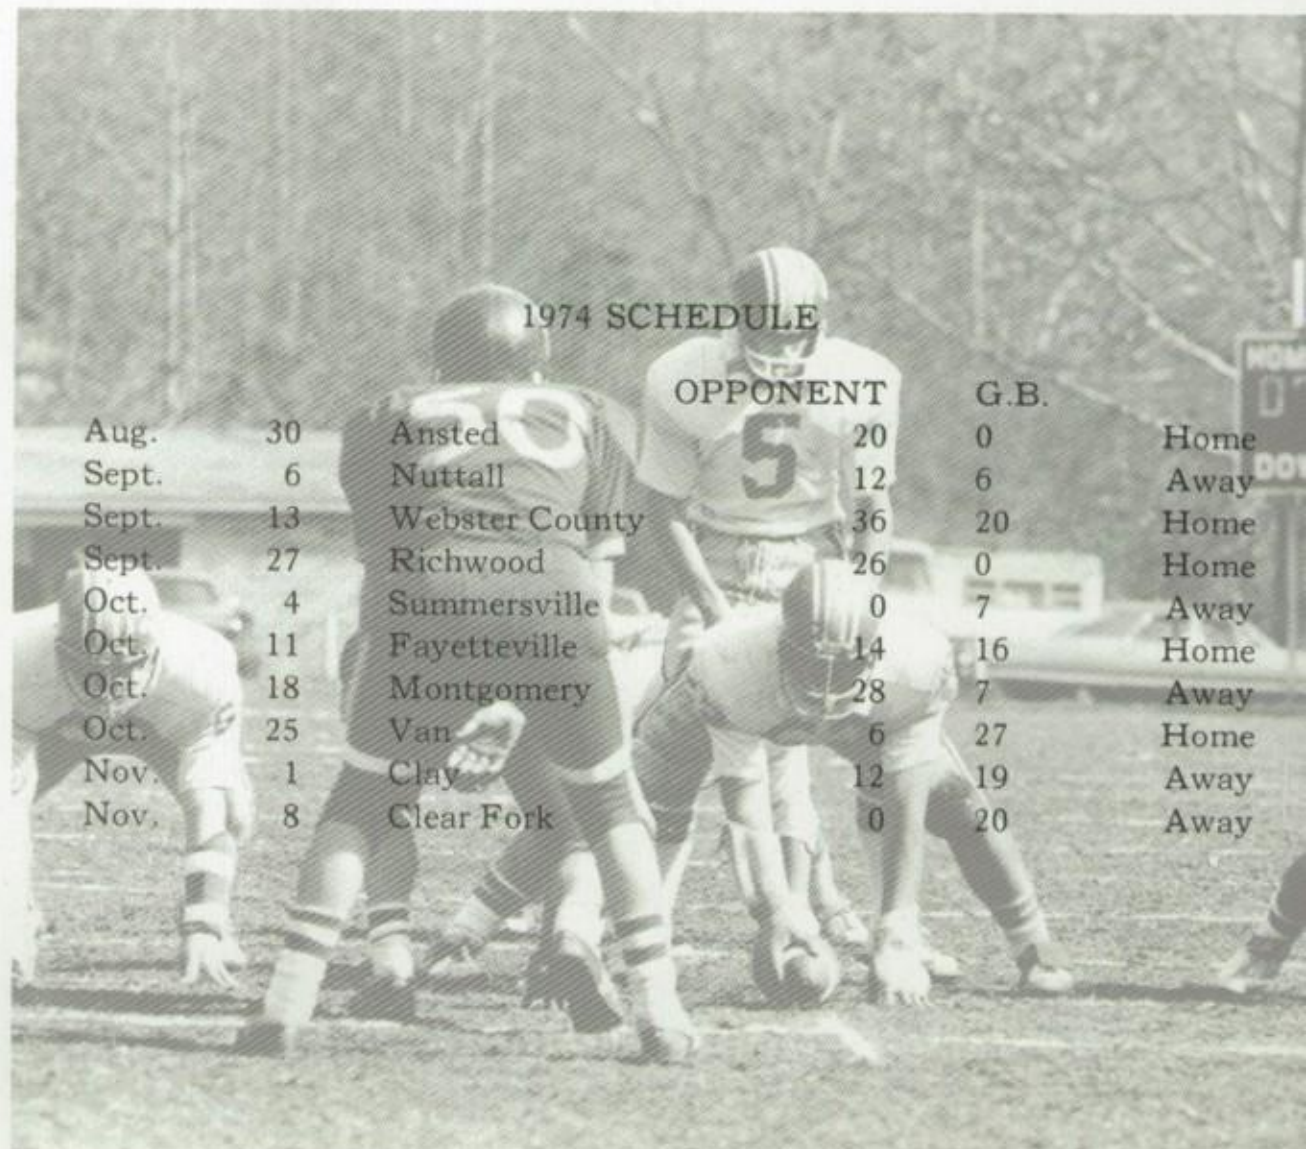

Cold weather and hard hitting caused many fumbles and killed several Gauley scoring drives. However, the Travellers were clearly the better team. Mike Groom rushed for 132 yards and Ed Cangemi led the defense with 13 tackles.

We the players, would like to thank the coaches, our parents, and especially the fans who cheered us on throughout the season. The Travellers showed what they were made of as they picked themselves up after 4 opening losses and finished 5-5.

David Hamra

This year's team captains were Stan McCutcheon and Zack Dye.

The 1974-75 basketball season was somewhat of a different season, compared to those of the past. The team possessed all the talent necessary for a good, well balanced, competitive team. Competitive, the Travellers were, losing only a few games by large margins. It started out to look like a long year for the Travellers' young team. They lost the first three out of four games. However, attitudes changed, and what could have been a disastrous season for the Big Red basketball team, was somewhat respectful. Having three experienced players, which included one senior, the coaching staff and the basketball program had another outstanding year. Let's show appreciation to the team for the hustle and desire put forth.

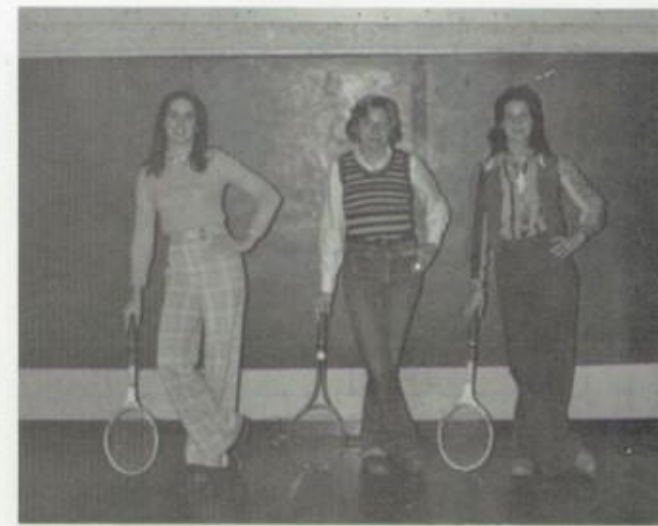

Girls' Tennis Team

The 1975 Girl's Tennis Team included: ROW 1: Kathy Schulte, Cassie Taylor, Sue Blackmore, and Alicia Hill; ROW 2: Flora Holland, Janet Lucas, Chris Sparks, Tonya Coleman, Kathy Wright, Carla Adkins, and Brenda Humphrey.

The Girl's Tennis Team sponsored by Mrs. Charlotte Vencill, played six matches to qualify for the State Tournaments. Included in their schedule were Charleston High, East Bank, Dupont and Sissonville. Members of the team were: Seniors: Kathy Schulte, Sue Blackmore, Alicia Hill, and Cassie Taylor; Juniors: Brenda Humphrey, Patsy Fish, and Susie Lane; Sophomores: Carla Adkins; Freshmen: Helen Wright, Tonya Coleman, Chris Sparks, and Flora Holland

The senior players were Cassie Taylor, Sue Blackmore, and Kathy Schulte.

Although Girls' Basketball is becoming more predominant in area high schools, this was the first year in which an All-County Tournament was held. Through dedicated effort and team unity, the Travellettes became the Fayette County champions. They ended their regular season with a 17-1 record, losing only to Oak Hill.

Faculty

For the sixth straight year, the Gauley Bridge High School administration was headed by Mr. Louis J. Kania. Well qualified for this job with twenty years teaching experience, including eleven in the classroom and three as assistant principal, Mr. Kania was graduated from Glenville State College with an A.B. and obtained his M.A. in business education from Marshall University. He received his principalship in 1968 from West Virginia University. Mr. Kania feels that it is the administration's desire to provide learning activities which will enable today's student to develop into a self-reliant and knowledgeable individual who will be capable of functioning as a responsible, self-supporting, and well-rounded citizen in a constantly changing world. Their one hope is that the foundation of continued learning and the search for knowledge to solve today's problems will be instilled in tomorrow's citizens.

Kania — Head G.B.H.S.

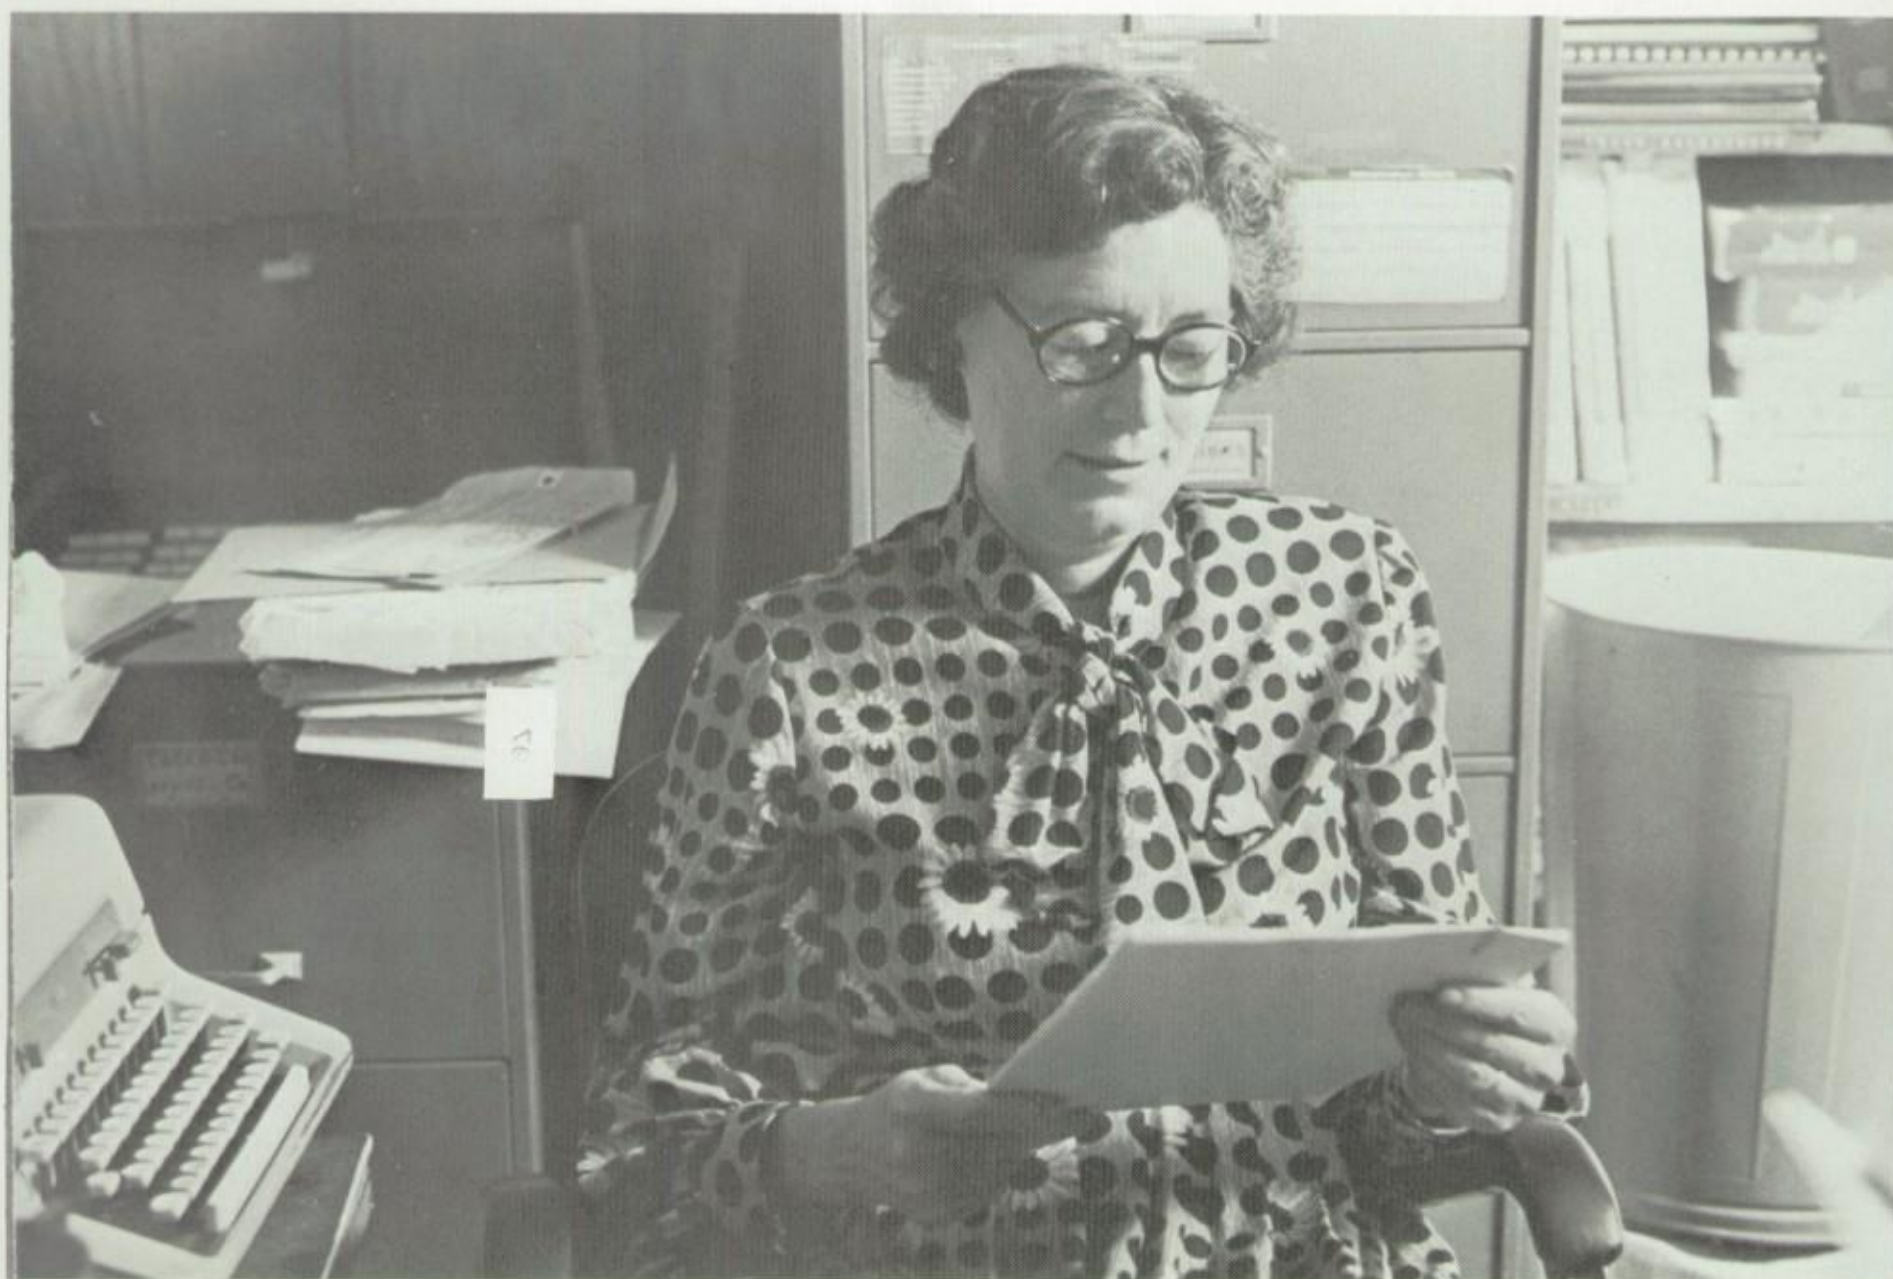

This year G.B.H.S. was very fortunate to acquire Mr. Raymond C. McVey, Jr. as vice principal. Mr. McVey hailed from Ansted High School where he taught sociology and history. His qualifications included an A.B. degree from West Virginia Institute of Technology, graduate work at Marshall University, West Virginia University, and College of Graduate Studies, and 12 years teaching experience. Besides his duties as vice principal, which include the difficult and often misunderstood task of disciplinarian, he also taught both Social Studies 8 and Orientation 8 this term. When asked how he liked G.B.H.S., Mr. McVey stated, "Everyone has been real good to me." He felt it was a good school and expressed a deep desire to make it even better.

Guidance

Mrs. Constance Robertson is our competent guidance counselor at Gauley Bridge High. Not only does she help us with our personal problems, she also assists us in choosing the best college to suit our needs and in selecting classes while at G.B.H.S. that will best help us in pursuing our goals. Suggesting tests we should take and scholarships we should apply for also plays a role in her guiding position. A graduate of the University of Arkansas with a B.S. degree, Mrs. Robertson has also completed graduate study at Marshall University. Besides counseling the 420 students at G.B.H.S., she also sponsors the chess club, Junior class, and Candy Stripers and is a member of the Faculty Advisory Committee. As much a part of education as English, Social Studies, and the Sciences, the arts add to the development of a well rounded student. Gauley Bridge was fortunate in having five well qualified and cooperative teachers in this field.

Small as it seemed our school's library provided its students with recent magazines, periodicals, and books for leisure reading.

Our home economics classes helped to prepare our girls in future domestic skills. Each year, G.B.H.S. girls are given the opportunity to enter the Betty Crocker Contest and this year Barva King won first place in this national contest.

The Travellers were indeed fortunate in having Mr. Glenn Toler as our art instructor. Our art students were exposed to the various forms of art—paintings, pottery, sculpturing, and many special hand crafts. Each year Mr. Toler organized an art exhibit composed of paintings, sculptures and entries from the home economics department and shop classes. These entries were reviewed by a select panel of judges and awards presented accordingly.

Just as the girls were trained in domestic skills, the boys were instructed in the areas of wood working, welding and furniture making.

Everyone, students and community alike, enjoyed and appreciated the efforts of Mr. Warren and the Traveller Band. Preparation began in grade school, and every band member worked hard to perfect his skills as a musician.

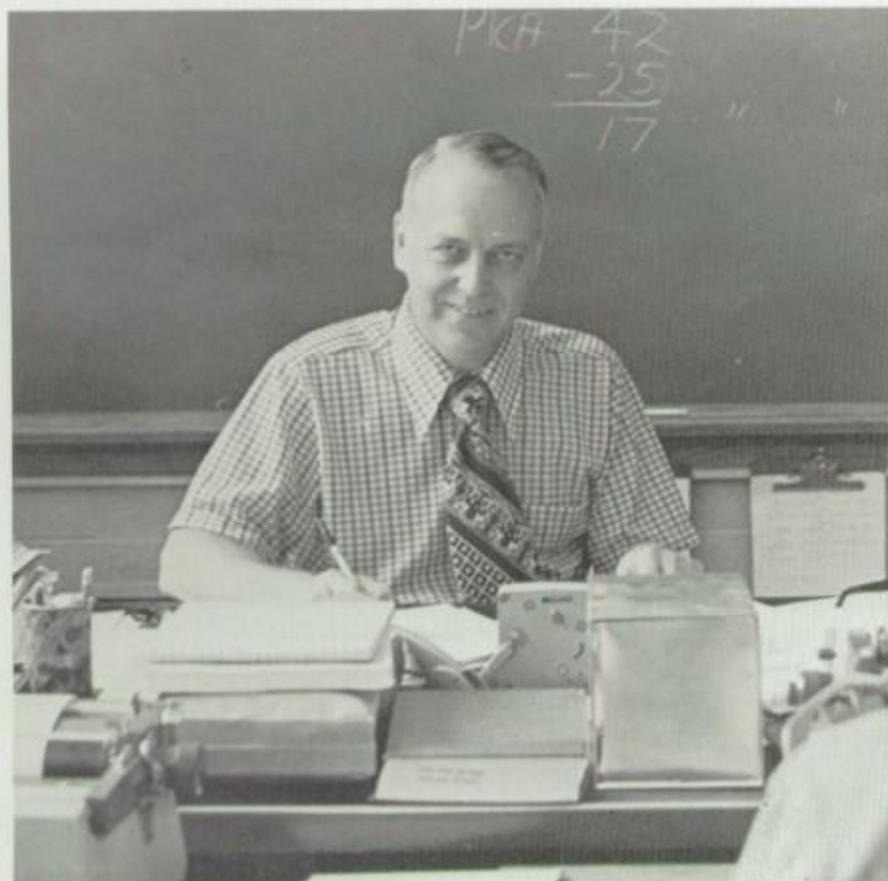

Therefore, it's easy to see why Gauley students were well rounded and contributed much to the school and community.

Secondly, they hope to develop an understanding and competency in vocational business education and general business procedures that are essential for all persons regardless of curriculum and to prepare for effective and efficient careers in office and related fields of endeavor. After completion of this program of study, the graduate should have attained occupational competency at a level which will enable him to perform satisfactorily in an initial position and to make progress in his chosen vocational occupation.

Our Aides

Working For The Betterment Of Our School

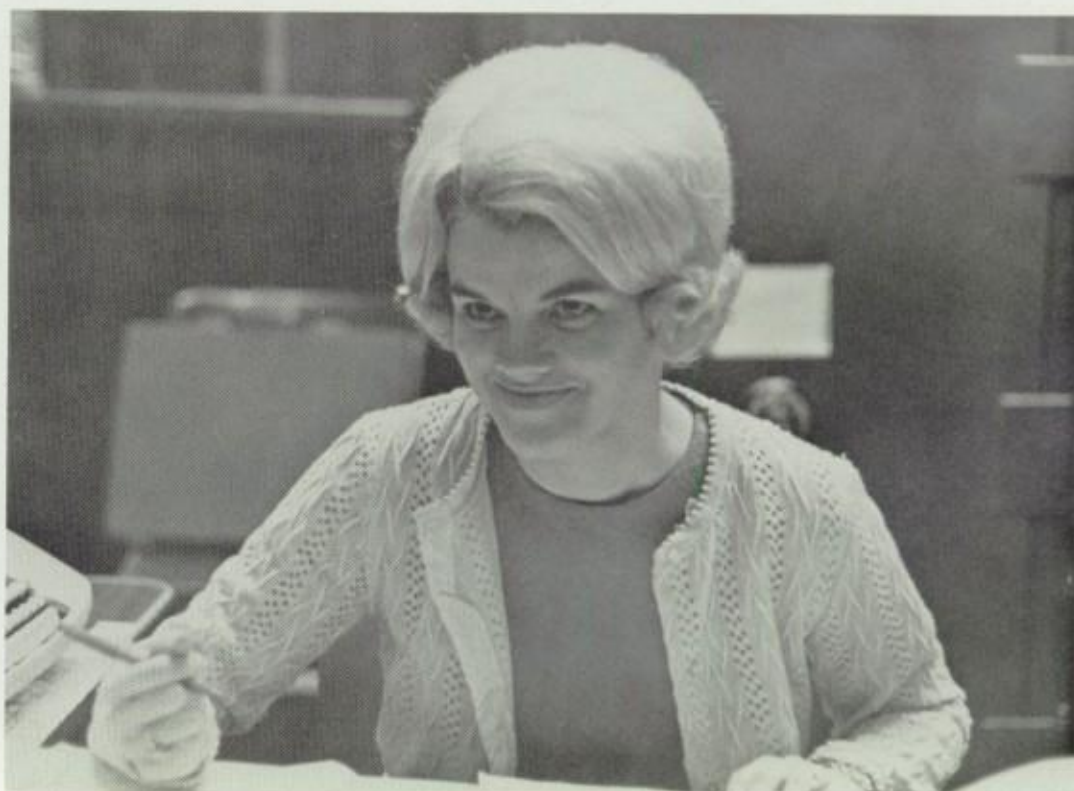

Surely our aides perform one of the greatest yet least recognized services in our school. Mrs. Francis Mink and Mrs. Naomi Myers work hard to keep our school running. Who else always greets students with a ready smile of service whether they ask for a permission slip, use of the phone, change, a lunch ticket, or some unknown knowledge. Besides these innumerable services they function as the principal's secretaries and often as secretaries for teachers.

We the class of 1975 have gone through school together during times of:

War & Peace
Protest & Harmony
Love & Hate
Advancement & Destruction
Success & Failure
Victory & Defeat

This combination of versatile life styles has affected us and caused us to change with the times. We leave now with mixed emotions, unable to reach deep inside ourselves and voice our true feelings. Only in later years will we realize the impact of our years at Gauley Bridge High School. The one aspect we can grasp and cherish now is friendship; friendships we have made and friendships we have yet to make.
